the way a number of protests were

introduced. These had to do with

the assessment of the North First

avenue paving district, which the

commission promised to personally

investigate today, Another which

dealt with the proposed improvement of North First street, and which

upon vote was deferred indefinitely, and the assessments levied against the property owners for storm sewer

improvements on Adams street, which are also to be investigated. Then there were protests for individual assessments against the cost of improvements in various districts

on the grounds that no itemized statements had been rendered by the Barber Asphalt Paving Company or the city for the work done. As bonds have already been issued and prob-

ably sold, the commission was agreed that it had no jurisdiction.

'Ah amendment was approved to Ordinance No. 5, fixing the hours

when sweeping of the sidewalks in

the business district may be done at net later than 7:30 o'clock in the

morning and not before 9:30 o'clock in the evening. This gives one hour

leeway in the mornings over the or-dinance as previously in effect, 6:30

o'clock having been the latest in the morning when sweeping could be

A protest of several property owners on North First street against the paving of the district from Adams street to Roosevelt street resulted in

the temporary holding up of the proposed work, but Manager Mitchell of the street railway company profited
